36 AVENIDA LA ANTIGUA is a well-appointed and fully furnished penthouse with incredible ocean views. With the panoramic ocean and mountain view roof top terrace and garden as your front yard, there is much more to this penthouse than meets the eye. The views are sure to please, with one end of the great room opening onto a private balcony towards the ocean, and the other side looking out over Plaza Lucia towards the hills beyond. A grand master suite with bathtub is complemented by a second bedroom with a queen bed which could be turned into a bunk room to sleep more guests. Personal laundry and storage allows this home to accommodate full-time residents as well as vacationers.

- Ocean and mountain views
- Roof terrace common space out front door
- Large master bedroom suite
